

LOWER TOWNSHIP FIRE COMMISSION

**SECOND DISTRICT
P.O. BOX 724
NORTH CAPE MAY, NEW JERSEY 08204**

Minutes of the Minutes of the May 18, 2020 Meeting

A meeting of Fire District 2, Lower Township, Cape May County, New Jersey was called to order at 19:00 hours by President Brown at the Town Bank Fire House, 224 Town Bank Road, North Cape May, N. J.

President Brown read the statement of compliance with the "Open Public Meetings Act" and pointed out the fire exits to the public in attendance.

After flag salute, roll was called; Commissioners present were Andrews, Barger, Brown, Conley and Prendergast. Charlotte, "Missie" Axelsson Financial Data Specialist was absent. Also present were two firefighters, and no other members of the public.

MINUTES

The minutes of the April 20, 2020 regular meeting were distributed earlier. A motion was offered by Andrewes and seconded by Barger to approve the minutes as written, voting yes, Andrews, Barger, Brown, Conley and Prendergast and; voting no, no one; abstaining, no one.

TREASURER'S REPORT

The Treasurer's report was read by Prendergast, a copy of the report is attached hereto and made a part hereof. A motion to approve the Treasurer's report, as written, was offered by Prendergast and seconded by Conley, voting yes, Andrews, Barger, Brown, Conley and Prendergast; voting no, no one; abstaining, no one.

Interest earned for the month was \$2,063.48.

The Commissioners reviewed all bills that were submitted to the Treasurer in proper form. Resolution 20-01.05, authorizing payment of those bills totaling \$276,707.29, was offered by Conley and seconded by Barger, voting yes, Andrews, Barger, Brown, Conley and Prendergast; voting no, no one; abstaining, no one.

CORRESPONDENCE

The Secretary read the following correspondence:

LOWER TOWNSHIP FIRE COMMISSION

SECOND DISTRICT
P.O. BOX 724
NORTH CAPE MAY, NEW JERSEY 08204

Minutes of the Minutes of the May 18, 2020 Meeting

1. Letter in dated 4/16/2020 from Donna Blackley Fire Official to William Galestok, Planning Director regarding site plan comments for 203 Hughes Avenue subdivision.

TOWN BANK VOLUNTEER FIRE COMPANY REPORT

- A report of the month's activities was read by Chief Megonigal, a copy of which are attached hereto and made a part hereof.

BUREAU OF FIRE SAFETY REPORT

- The Bureau of Fire Safety report was unavailable due to the COVID-19 Pandemic the meeting was cancelled; however Conley provided the financial reports and the Fire Official's written report dated 4/14/2020, a copy of which is attached to the original of the minutes.

OLD BUSINESS

1. *Brown reported that Rich Fire Protection has performed their inspection and determined that there is an issue with the kitchen hood not working properly. It may be an electrical issue and the Chief will have Marsden Electric look at it and if it is electrical to repair it (08/18)*

Brown reported that the fan was fixed; it was an electrical issue, however, Rich Fire Protection, when performing the 5-year internal inspection of the sprinkler system revealed that the system needed flushing and provided photographs to substantiate the need. Brown presented a letter from Rich Fire Protection dated 9/07/18 proposing a not to exceed fee of \$13,800, to furnish labor and materials to perform the repairs to the sprinkler system. They can begin the work as soon as a PO is issued.

Brown has performed a lot of checking and has had a couple of conversations with Rich Fire Protection and they are 90% sure that the flushing will correct everything with the system.

A motion to approve the proposal of Rich Fire Protection was offered by Andrews and seconded by Barger, voting yes, Andrews, Barger, Brown, Conley, and Prendergast; voting no, no one; abstaining, no one. (09/18)

LOWER TOWNSHIP FIRE COMMISSION

SECOND DISTRICT
P.O. BOX 724
NORTH CAPE MAY, NEW JERSEY 08204

Minutes of the Minutes of the May 18, 2020 Meeting

Brown reported that Rich Fire Protection would be here to flush the system on or about November 21, 2018. They originally were going to come earlier by he asked them to hold off until after the November elections since the building is used for a polling place for several districts and we did not want to inconvenience the election process.

Brown reported that Rich Fire Protection has performed the flushing of the fire suppression system and the system is functioning as designed. The also reported that the system will need major work sooner than later. They believe it will be necessary to replace the entire system from the entry manifold back. Brown will try to get a preliminary cost for the replacement so that we have an idea of the cost, which will most probably exceed the bid threshold. (01/19)

Conley had the original building plans scanned and Brown will provide a copy to Rich Fire Protection so that they can prepare an accurate estimate of the replacement cost. (05-19)

Brown reported that Rich Fire Protection will be at the firehouse tomorrow for fire system testing. (07-19)

Brown reported that Rich Fire Protection was hoping that we could provide them with the actual CADD files for the firehouse and not a PDF copy of the original construction drawings. The CADD files are not available, therefore their team visited the building and did some extensive investigating and reported that they would provide us with a proposal and he has not received that proposal yet. (08/19)

Brown reported that he is still waiting for the proposal to provide the work. (09/19)

Brown reported that he has received a detailed proposal to provide the work from Rich Fire Protection in the amount of \$204,000, which did not include a performance bond, trash removal, as well as exceeding the bid threshold. The matter will need to be considered in the 2020 budget and possibly retaining an engineer to review and expand the specifications and prepare and monitor the bid process and inspect the installation. (10/19)

Conley recommend hiring a Fire Suppression System Engineer to prepare specifications, a bid package and monitor construction of the new sprinkler system. He reiterated that we are not specialists in that field, we need someone looking out for us, and to be sure, we get a product that is up-to-date and up-to the current fire code. (11/19)

Conley reported that he has been in touch with CM3 Building Solutions who performs pipe lining for fire suppression systems. He has received preliminary literature, which he share

Minutes of the Minutes of the May 18, 2020 Meeting

with the Commissioners, and has requested a representative meet with him at the firehouse. (03/2020)

2. *Conley and Chief Megonigal will be working on an updated mutual aid contract with the Cape May Point Volunteer Fire Company. (08/19)*
3. *Chief Megonigal reported that the breathing air compressor used to fill the firefighter's air-packs is no longer functioning and is beyond repair. The fire company needs to have breathing air for not only the air-packs but for the dive tanks also. The Chief presented a proposal from the HGAC Cooperative to purchase a new breathing air compressor; the cost of the new breathing air compressor, including trading in the old compressor, through the HGAC is \$57,942.63. There are sufficient funds for the purchase available under the Maintenance & Repairs line in the current budget.*

A motion was offered by Conley and seconded by Andrews to authorize the purchase through the HGAC Cooperative for \$57,942.63, voting yes, Andrews, Barger, Brown, Conley, and Prendergast; voting no, no one; abstaining, no one. (12/19)

4. *Brown reported that he has spoken with a representative of the County Health Department regarding our emergency generator clean air permit (Air Quality). He informed her that we have been trying for over a year to get into compliance, since our prior permit expired. Chief Megonigal has tried through the on-line permit application but it requires a password that was used by former Chief Treon, now deceased, and cannot get into the system without it. He has called numerous times and left voicemails with DEP and does not get return calls from them. He requested the County Health Department to assist us in getting the permit and was told it was our job to get the permit, they only enforce the permit. Conley will draft a formal letter to be sent to the County Health Department and DEP outlining the issues if he is provided with the times and dates of the attempts to contact. (01/2020).*

Brown reported receiving a Notice of Penalty Assessment for \$600.00 from the Cape May County Department of Health for not renewing the Air Quality permit. Brown will reach out to the Health Department once again, to try to enlist their help in getting the permit and remind them of the time and effort expended thus far in trying to get the permit. (see the effort described above) (04/2020)

Brown discussed the on-going lack of response on this permit from NJ DEP and the County Department of Health with Jennifer Fairman at the Health Department, who offer, in writing, a settlement agreement dated 5/07/2020 of \$300.00 based upon that fact

Minutes of the Minutes of the May 18, 2020 Meeting

that the permit has been received and the effort to finally obtain the permit. A motion was offered by Conley and seconded by Andrews to accept the settlement agreement for \$300.00, voting yes, Andrews, Barger, Brown, Conley, and Prendergast; voting no, no one; abstaining, no one.

5. *Conley reported that Town Bank Fire Company Treasurer Mark Delano for two properties reported to be owned by Lower Township Fire District No. 2 on a published "Unclaimed Property" list. Conley filed the appropriate Unclaimed Property Inquiry Form with the State of New Jersey electronically and has received a notice acknowledging the filing and providing notice that no further information is required. The notice also indicated that we would be notified of their finding in about 30 days. (02/2020)*
6. *A quote was presented by Chief Megonigal to purchase 35 of the new style Scott Air Packs, under State Contract thru Nat Alexander (State Contract No. 17-Fleet-00815) including a trade in of 35 of our old Scott Air Packs for \$42,000 and an additional discount \$42,000 for a net cost of \$256,515.00. A motion was offered by Conley and seconded by Andrews to authorize the purchase as the purchase was considered and approved at a Special Meeting of the Fire District held on December 30, 2019 and also anticipated in the 2020 Annual Budget, voting yes, Andrews, Barger, Brown, Conley, and Prendergast; voting no, no one; abstaining, no one.(02/2020)*

The purchase order was issued, but the air packs have not arrived yet (03/2020)

Chief Megonigal reported that the air packs have arrived, the signed voucher received and the voucher is on tonight's bill list for payment (04/2020).

7. *Chief Megonigal presented the LOSAP Point List 2020, which reflects those members qualified in 2019. Conley lined through his name, initialed the list, and reported that he had resigned from the LOSP Program in November and was therefore not qualified for the 2019 contribution. He further stated that even though he resigned from the distribution portion of the program, he remains the Program Administrator and Commissioner Andrews is now a Co-administrator of the Fire District's LOSAP Program.*

Conley reminded all in attendance about how the appeal process works should anyone feel that there is an error on the LOAP List, which shall remain posted on the Fire Company Notice Board for a minimum of 30-days. (03/2020)

LOWER TOWNSHIP FIRE COMMISSION

**SECOND DISTRICT
P.O. BOX 724
NORTH CAPE MAY, NEW JERSEY 08204**

Minutes of the Minutes of the May 18, 2020 Meeting

Conley reported that no request for appeals have been received therefor the LOSAP Points List 2020 for service in 2019, therefore he offered a motion, seconded by Andrews deeming the aforesaid list the Official LOSAP Points List for 2020 for service in 2019, voting yes, Andrews, Barger, Brown, Conley, and Prendergast; voting no, no one; abstaining, no one.

NEW BUSINESS

Chief Megonigal needs to replace some of the electronics on Marine 1 and has a proposal from Offshore Solutions of Marmora, N.J. for the purchase of the electronics totaling \$15,854.00 and a proposal from Holtz Boatworks in Marmora, NJ for installation of the new electronics totaling \$4,239.00. Additional quotes/estimates have not been obtained due to the COVID-19 Pandemic, but the work needs to be completed ASAP.

A motion was offered by Conley and seconded by Barger to approve the equipment purchase from Offshore Solutions totaling \$15,854.00, voting yes, Andrews, Barger, Brown, Conley, and Prendergast; voting no, no one; abstaining, no one.

A motion was offered by Conley and seconded by Barger to approve the installation of the new electronics by Holtz Boatworks totaling \$4,239.00, voting yes, Andrews, Barger, Brown, Conley, and Prendergast; voting no, no one; abstaining, no one.

PUBLIC PORTION

Nothing.

There being no further business, the meeting adjourned at 19:35 hours by a motion by Andrews and a second by Prendergast.

Respectfully submitted,

Lewis H. Conley, Jr.
Secretary/Commissioner
